

U.S. Department of Education

Missouri S&T

# Fellowship Opportunity for Graduate Studies

## **Description:**

Graduate Assistantship in the Areas of National Need (GAANN) program at Missouri S&T is funded by the Department of Education to assist graduate students with excellent records who demonstrate financial need and plan to pursue Ph.D. at topics related to smart grids including power electronics, power systems, control, networks, and grid management.

## **Support:**

This program covers the tuition of the selected students, provides up to \$34,000 per year in stipends (stipends are need based and the maximum is decided by FAFSA), and covers the costs of books and a laptop.

## **Eligibility:**

Students should be U.S. citizens or permanent residents to be eligible for this program. Selection is based on the student's academic record.

## **Contacts:**

If you are interested in this program, please contact Dr. Ferdowsi ([ferdowsi@mst.edu](mailto:ferdowsi@mst.edu)) or Dr. Shamsi ([shamsi@mst.edu](mailto:shamsi@mst.edu)).
